TO: Non Contract Counties' 911 Coordinators

FROM: Robert G. Oenning, Enhanced 911 Administrator 

SUBJECT: Additional Call Receiver Salaries

In order to make the best use of 911 funds the State E911 Office supplemented the salary portion of the Operations contracts (split 60/40) with up to an additional \$125,000 to be applied toward call receiver salaries. The additional salary will be paid from remaining end-of-year funding, if any, and is limited to \$125,000.

In April 2004, counties made application for the current Fiscal Year 2005 contracts. With the additional dollars designated for Call Receiver salaries, your county may now be eligible for an Operations contract. If you believe your county is now eligible to receive State assistance funding, please contact Carol Losey at 253.512.7482 or C.Losey@emd.wa.gov, to request an application. Applications must be received in our office by February 15, 2005 for consideration for the additional salary funding.

If you would like assistance in filling out the application or have any questions or comments, please contact Catherine Bartholomew at 253.512.7018 or C.Bartholomew@emd.wa.gov.
